

STK# 109630 Aluminum Fold Up Cart

Instructions to Assemble:

1. **Unfold cart:** Pull the sides of the cart out in opposite directions and push down in the center of the bed if needed.
2. **Install End Panels:** Slide one end panel into the slots at each end of the cart bed. You may need to push out gently on one side to widen the end of the cart and slide the panel into place. The rounded side of the end panel is the top.
3. **Attach handle:** On the leg end of the cart there are two receptacles to slide the ends of the handle in and secure using locking bolts.

To Fold Cart:

Remove handle and end panels – push sides of cart in toward the middle pulling up on the bottom of the bed if needed.
